

**VOORHEES TOWNSHIP**  
**GREEN BUSINESS PROGRAM**

Instructions:

1. Review the list of VTGBP Environmental Practices. Select at least five practices that represent activities in place at your facility. More detailed information on the practices can be found at: <http://registry.njsbdc.com/resources>.
2. Download and complete the VTGBP Application. Please type or neatly print the required information in the spaces provided. If you need assistance in completing the application, contact Sustainable Voorhees at: [sustainablevoorhees@gmail.com](mailto:sustainablevoorhees@gmail.com).

If you are applying for Silver Level recognition, information on how to apply to the NJSBR can be found at: <http://registry.njsbdc.com/>.

3. Mail the completed application to:

Sustainable Voorhees  
2400 Voorhees Town Center  
Voorhees, NJ 08043  
ATTN: Green Business Program

Applications for Silver or Gold Level recognition must include photocopies of program certifications.

4. If you would prefer to electronically transfer your application, please email PDF versions of your documentation under the subject heading "Green Business Program" to: [sustainablevoorhees@gmail.com](mailto:sustainablevoorhees@gmail.com).

Additional Notes:

Applications will be accepted on a rolling basis. Submissions will be reviewed within thirty days and all applicants informed of the evaluation results. A minimum of 10% of received applications will be verified through an assessment process that may include a site visit to the business by Sustainable Voorhees. Recognition of green businesses through the VTGBP will last for a period of three years commencing on the last calendar day of the year of recognition. After this period, previously recognized businesses must reapply to the program.
